

MALTON SCHOOL

UNIFORM POLICY

1547

A Specialist Science School

Science

AIMS:

- To encourage and promote self belief and pride in the school through the maintenance of a smart uniform
- To foster a sense of collective identity by having a consistent uniform, worn correctly.
- To support security in the school through quick identification of those who should and those who should not be on the site.
- To minimise potential issues arising from social inequality by having an affordable uniform offered on a no profit basis.
- To maintain a simple uniform code that is easily understood by students, parents and staff, and which is easily enforced.

School Uniform Regulations

Clothing

1. If T-shirts are worn under shirts they must not be visible.
2. Scarves are not to be worn in the school buildings.
3. Baseball caps and other headgear are not allowed to be worn on the school premises.
4. Sweatshirts, hoodies and non-school jumpers are not allowed to be worn on the school premises.
5. All items of clothing and personal kit should be clearly marked with the student's name. This will help in recovering lost property.

Footwear

1. Students need to wear sensible footwear which supports the feet and keeps them warm and dry but do not damage the floors in school.
2. Footwear needs to be plain black (leather type material)
3. No high heels allowed.
4. Lightweight boots (not Doc Martins) are allowed so long as they are worn **under the trousers**.

Hair & Make Up

1. Hair must be unobtrusively styled in **naturally occurring** tones.
2. Long hair must be tied back for PE, Games, Technology and Science lessons.
3. Nail varnish should not be worn in school.
4. Any make up used must be discreet (looking entirely natural). Excessive make up will have to be removed.

Jewellery

1. One pair of small ear studs may be worn. No other items of jewellery are allowed (i.e. necklaces, rings, bracelets). A watch may be worn.
2. In practical lessons such as Technology students may be required to remove jewellery for health & safety reasons. In PE and Games lessons students must **remove all items** of jewellery.

Tattoos and Body Piercing

1. Tattoos are not allowed as it is illegal to tattoo anyone under the age of 18 years. To avoid confusion, transfers must not be worn.
2. Body piercing, with the exception of ears, is not allowed. Consequently studs or rings are not allowed in any part of the body (except a single stud in each ear).
When body piercing is carried out there is often a requirement that the piercing remains in for several weeks initially. Please make certain before allowing any piercing to take place that this initial period does not fall in school time as all piercings will need to be removed for school.

Sanctions

- If a student does not conform to uniform requirements they will be issued with a negative comment in their planner on each day until the correct uniform is worn. To avoid this, if there is a genuine reason why your son/daughter can not wear the full uniform please put this in writing to their Form Tutor giving a clear indication of when the matter will be rectified. The school will have to consider each of these cases individually.
- If a student persistently breaches uniform requirements without a good reason they may be placed in isolation.
- Persistent failure to wear correct uniform may be noted in student references; **many employers ask for a comment on dress and appearance.**

Medical Exemptions

If a student has long term medical problems which affects their ability to wear part of the school uniform a medical exemption pass will be issued **on receipt of a medical note.**

SCHOOL UNIFORM REQUIREMENTS

FOR BOYS AND GIRLS

- Pale blue long-sleeved non-fitted/shaped (in the Summer Term short-sleeved if preferred) shirt with collar and made of polyester cotton
